

May 2024—Prayer Requests Expanded

Dear All,

Greetings to all of you from us two in Uruguay. This has been an eventful month and we have quite a few things to share with you. However, to start us off let me remind you of something Paul said many years ago to the Corinthian church which he planted. He said, ***“I planted, Apollos watered, but God gave the growth. So neither he who plants nor he who waters is anything, but only God who gives the growth.” (1 Cor. 3:6-7)***. Here in Uruguay we are reminded of this often, because it is very difficult to have people, especially adults, respond to the gospel. So when this happens we realize that it is God at work in hearts. Oh sure, we understand that we are instruments in His hand, even as Paul understood that. But, when people respond, it is God who is working and giving the increase. As you read our letter and especially our calendar, realize that our whole team is reaching out and studying God’s word with small groups or individuals. Please pray for God’s harvest in the lives of these people.

Our Visit in Argentina: The last week of April we spent five days in Argentina with Jonathan, Carolina, and our four grandkids. We told stories, played table games, watched Tobi play a basketball game and generally enjoyed our time with family. Their lives and ministry are going well, and the kids are growing in every way. Also, we asked for prayer for Alejandro Peluffo, Carolina’s dad who has prostrate and bone cancer. He has good days and not so good days but continues to minister to his congregation and to oversee the Expositors Institute in the Southern Cone of South America. Continue to pray for him and his family as they face God’s will for their lives.

Searching for a Church Building in San Jacinto: We have now ministered for years in San Jacinto and surrounding areas. We have made friends with interested contacts, we have seen some of them come to the Lord, and we would like to see a greater response. As a team we believe now is a good time to start meeting as a church in an independent rented building. So, as we shared last month, we have started that search and would like to find an adequate place as soon as possible. Pray for us in this matter. Pray for a building where we can run our children’s ministry and expand it, for a place that David and Silvia to expand their ministry to adolescent guys and gals (including David’s ping-pong outreach).

Thank you all for your continued support and prayers for us and for these ministries in Uruguay.

Your fellow laborers,

Tim & Kari Willoughby
