

Dear Praying Friends,

Greetings from Buenos Aires!

We are a little late with this update... In fact we have been visiting some of our Argentinian missionaries' friends that our church in Ramos Mejia has been supporting for quite a time.

Our Friends from Pennsylvania came to go with us to visit them since Jim and Darleen Miller met those dear ones, years ago. This time Jim came with his son Jimmy, and we have as always a wonderful and blessed time with them. Our missionary's friends in Sebastian Elcano, Cordoba, Santiago and Romina Ibarra have been building the church and last April 21 we were there for the dedication of their new meeting place for the church. They are still building but our gracious Lord has provided the funds to complete the project. The church was full with many visitors and some of them made professions of faith in Jesus, and others dedicated their lives to serve Him. It was a wonderful time and we have many praises to our Lord! Please continue to pray for them to continue faithfully serving our Savior, and reaping fruit unto His glory. Next trip

was to visit Puerto Madryn, Chubut in the south of Argentina. There is our missionary friend Roque Gutierrez and he is also building the church that is almost 15 years old since the Lord took him there to do church planting. They are building a two floor building. Roque is a constructor so this is helping a lot.

Pray for them as they are continuing to finish the project.

Please continue to pray for the Church in Ramos Mejia, Buenos Aires.

We continue with our visitation program every week in our neighborhood, teens meeting, and ladies Bible studies, men meetings and services.

We are still praying for leaders for our church.

Health wise we are both doing well by our Lord's grace and we appreciate your prayers. Pray that our Lord continues to use us and open new doors of service.

As always we appreciate your involvement in our ministry over the years more than 40 for you. Your faithful prayers and financial support are a source of encouragement and blessing to us.

Let us know if we can pray for your needs too. May our Lord continue to bless you as you continue to love and serve Him!
